Trails for Creston Valley Society

We are a group of outdoor enthusiasts with a passion for our beautiful valley and waterways. Our goal is to protect and maintain access to our treasured outdoor spaces. We are a non-profit society with charitable status. Our motto: Access, Awareness, Action!

Our Current Projects:

- Ka Papa Cedars Trail: This exciting new trail area will be located along Highway 3 towards the Salmo-Creston pass. You will enjoy a hike through the pristine beauty of an old growth cedar forest with massive towering trees.
- Riverside Park: Provide safe access to Goat River and create a future public park with a parking lot, public toilets, picnic tables and garbage cans.
- Kootenay Lake Access Project: The goal of this project is to locate, sign, map and improve existing legal public access along Kootenay Lake from Kuskanook to Riondel.
- Old Ferry Landing: To help maintain this ground as a community picnic area, and to encourage the community to use this site as one of the few access points to the Kootenay River.

As A Member...

- Be the first to know about new trail openings
- Connect with other outdoor enthusiasts
- Celebrate milestones
